

Join TTA before your competitors do:

How would you like to get more business for yourself, while at the same time prevent your competitors from doing the same?

How to join:

First visit one of our meetings. At the end of the meeting, ask any member of the leadership team for an application form – if you apply to participate with TTA, your application will be reviewed by the TTA's membership committee. Any business person is welcome to attend a Trusted Trades Association meeting as a visitor.

TTA. Positive, Supportive and well Structured:

Networking requires commitment. The most successful networking groups are comprised of participants who are sincerely committed to helping one another through networking. They are a team. TTA provide a positive, supportive, and structured environment for men and women to develop their business through word of mouth recommendations and networking skills.

***You are invited to attend***
